Whether you're hitting the road in a rented vehicle or exploring as a solo traveler using various modes of transport, this versatile kit ensures you never miss a moment. Equipped with high-definition video capabilities, enhanced stabilization, and an array of creative tools, the GoPro Hero 12 Black is perfect for documenting every aspect of your journey.

Rent it today to elevate your travel experiences, create professional-quality content, and share your stories like never before.

# GoPro HERO12 Black Creator Edition

# Description

The GoPro HERO 12 Black Creator Edition offers adventurist content creators the best-in-class image quality, with improved HyperSmooth video stabilization and a huge boost in battery performance, which simply means creating even longer content than before.

The world's most versatile camera captures stunning 5.3K video and adds HDR (High Dynamic Range) for enhanced detail, making it the most suitable camera on land or water while the advanced stabilization keeps your footage smooth at all times.

# NAMIBIA 2GO

POWERED BY GONDWANA

# Namibia2Go - Prohire Equipped

# Vehicle and Camera Hire

Elevate your Namibian adventure with the GoPro Safari Kit and Sony Safari Kit, both perfectly designed to seamlessly integrate with Namibia2Go, Gondwana Collection Namibia's premier car hire service.

As you traverse the stunning landscapes and diverse wildlife of Namibia, these cutting-edge photography and video kits ensure you capture every moment in breathtaking detail.

Together with Namibia2Go's reliable and comfortable vehicles, these kits empower you to tell your story, allowing you to document and share the beauty of Namibia, creating memories that will last a lifetime.
